

# MEET *the* TEACHER

## WELCOME!

Hi! My name is Adam Christensen and this is my 2nd year teaching here, at Kansasville. This year, I am excited to not only be teaching math to the 1st-4th grade, but I will also be helping Mr. Stratton teach physical education. Although this coming year will certainly look and feel a little different, I am super excited to get started and I can't wait to see everyone's smiling faces back at school.

## EDUCATION

I received my Bachelor of Arts degree in Interdisciplinary Studies (K-8) from Western Governors University

## CONTACT ME

The best way to contact me is to message me through ClassDojo or to email me at [achristensen@kansasvillegss.org](mailto:achristensen@kansasvillegss.org)

## MY FAVORITES

Spending time with my family is my absolute favorite thing to do.

I also love the New England Patriots (I know, I know), Amazon, donuts, going to the movies, and anything Ghostbusters related.
